

## CV

## Nader Hably

## Profile

Nader Hably was born and raised in Beirut, Lebanon. A graphic designer by training, with experience in print and multimedia. Nader long craved for more meaningful expressions of creativity. He received honor from Kristine Lokken website. He learned to breathe new life into a traditional art, not merely copying or reviving its old forms but finding a contemporary language for it. He's especially interested in the new style in graphic design with 3d, both sacred arts. His work is less about personal expression than about revealing hidden order, and the power of this medium where form and meaning are one. His work is found in private and public collections in the website and some company, he also teaches some student photoshop and after effects and office program and give advice in various company and TV of the fundamental conditions of happiness is to know that everything that one does has a meaning in eternity" - Titus Burchardt
